

## CEREMONY LOCATIONS

There are numerous locations and venue options that you may consider for your special event, and in many situations, for instance home and some public parks and gardens, you do not have to spend much money or no money at all !

In Perth, Western Australia we are most fortunate in the choice of an enormous number of locations to choose from. In many cases the venue you choose for your reception will usually be able to assist with a wedding ceremony venue or garden area just perfect for your celebration.

Many suburban councils have beautified parks or gardens available at a small fee, or we do happen to know of a few wonderful facilities where you don't have to pay anything at all (please ask).....

Sometimes the most perfect place is just out the back, in your own home garden.

Here is a list of popular locations for you to consider, we hope this helps...
